COMMITTMENT FOR FIELD REVIEW OF CONSTRUCTION

Note: This letter must be signed by a registered architect or a professional engineer licensed to practice in the Province of Saskatchewan

The Uniform Building and Accessibility Standards Regulations Part II, Article 8 (2) states that:

2) An owner who undertakes to construct or have constructed a building with a structure within the scope of Part 4 of the National Building Code of Canada shall have an architect or engineer complete:

a) the design or design review of the structure;
b) an inspection of construction of the structure to ensure compliance with the design and
c) the reviews required by the National Building Code of Canada

The City of Yorkton requires that buildings be inspected at intervals appropriate to the stage of construction to determine general compliance with the design drawings accepted by the Authority Having Jurisdiction and all revisions thereto.
