SCHEDULE C – FORMS
DEVELOPMENT PERMIT APPLICATION

This is NOT a Development Permit

In accordance with City of Yorkton Zoning Bylaw No. 14/2003, the following information is necessary to facilitate a thorough evaluation and timely decision on your application. To expedite the evaluation, all materials submitted must be clear, legible and precise, and should be prepared to professional drafting standards. Not all Development Permit applications require the information below. Applicants are encouraged to contact the Planning Services Division to obtain more detail or clarification of what is required for your application.

Required Items:

- A completed Development Permit Application Form containing a complete legal description and civic address of the subject property, as well as contact information for both the applicant and owner (names, mailing address, e-mail address, telephone and fax numbers)
- Signed letter authorizing applicant/agent to act on behalf of property owner
- A written description of the proposed use of the site or construction or alteration of a building
- Site Plan, showing:
 - north arrow, date and scale
 - dimensions of the site including area of the parcel(s)
 - adjacent streets and laneways
 - size, height, location and arrangement of all existing and proposed buildings, structures and signs
 - distances between existing and proposed buildings and from existing and proposed buildings to property lines
 - location and size of all parking spaces, drive aisles (accessing parking stalls), vehicle circulation areas, loading spaces, entrances and exits to the site and garbage receptacles
 - landscaping showing all physical surface features, including, ground cover, fencing, screening, the type, size and location of plant material to be planted and the details of the proposed irrigation system
 - location of site lighting devices, indicating the number, type and location of existing and proposed lighting

Note: Parking and Landscaping Plans may be shown separately from Site Plan

- Building elevation drawings illustrating exterior wall dimensions and appearance from all sides of the proposed development
- Floor Plans illustrating both interior and exterior floor dimensions, including all room dimensions and areas
- Drainage/Servicing Plan showing the location of all drainage, sewage and water facilities with proposed grades, sizes and capacities

Additional information may be required, depending on the nature/use of the proposed development. This may include, but is not limited to:

- a Traffic Impact Assessment (TIA)
- an Environmental Impact Assessment (EIA)

Note: Applicants are requested to submit information and scaled drawings in digital format (PDF preferred). The City may require hard copies of any information or drawings.
