_____, 2003

Dear Sir/Madam:

We received a complaint on _____(date), alleging a cat believed to reside on your property has been “a nuisance or running at large”.

- Section 5 of Cat Control Bylaw No. 23/2003 states:
“The owner of a cat shall ensure that the cat is not being a nuisance or running at large.”
- Section 2 (h) of Cat Control Bylaw No. 23/2003 states:
“In this Bylaw, unless the context otherwise requires, the expression: “Owner” means any person owning, possessing or harbouring a cat.”
- Section 2 (g) of Cat Control Bylaw No. 23/2003 states:
“In this Bylaw, unless the context otherwise requires, the expression: “Nuisance or Running at Large” includes, but is not limited to, fighting with other cats, defecating or spraying on private property without the permission of the owner or occupant of the property, howling or hissing at night, digging in flower beds or garbage containers and trespassing on private property.”

If you own a cat and it has been a “nuisance and running at large”, we suggest you take immediate steps to prevent it from doing so. If the cat returns to the complainant’s property, it may become necessary to trap the cat and/or prosecute the cat’s owner in Provincial Court.

Should you require a further explanation regarding this correspondence, please contact the Bylaw Control Officer at 786-1725.

TIPS ON PREVENTING CAT COMPLAINTS

The City of Yorkton is hopeful that all residents of the City can live in harmony with their neighbours. Unfortunately irritants arise from time to time that do not encourage positive neighbourly relationships. Cats that are permitted to be a “nuisance and/or run at large” are one such irritant.

Informed professionals advise us that the life expectancy of an outdoor cat is considered to be very short. These cats are struck by moving vehicles, caught in the fans of motor vehicles, mauled by stray dogs, injured in cat fights, and are exposed to disease, extreme heat and severe cold. The injury or death of your pet by any cause is a highly emotional and frequently expensive experience.

We believe that the kindest thing you can do for your pet is to have it spayed or neutered and to keep it indoors. You may also wish to consider harness and/or leash training, continual outdoor supervision, or building an enclosed cat run. Any activity you elect will keep your cat out of your neighbour’s yards will help improve neighbourhood relationships. It will also keep your cat from being trapped and you from being prosecuted in Provincial Court.

Be a responsible cat owner and a good neighbour:

- spay or neuter your cat.
- Have your cat tattooed and register, microchip implanted, or wear identification bearing your name and telephone number.
- Keep your cat indoors, in an outdoor, enclosed cat run, on a harness or leash, or under continual supervision.
