NEW this year!

Ukrainian Pioneer Spray Park!

Yorkton Parks TECH TIP

Are crows a nuisance in your yard? Some of these tips could help keep them away:

- Keep your yard clean.
- Place a plastic owl in your yard.
- Hang up something shiny. Old CDs or aluminum pans work great. Remember to move them from time to time.
- Tanglefoot or nail strips placed in areas they frequent.
- Play sounds of their natural predators to scare them off.
