Lane Swim: Lane swim is a great way to stay in shape and improve your technique. Three double lanes are provided for slow, medium, and fast swimming. Please follow posted etiquette for safe and courteous swimming.

Public Swim: Enjoy recreational swimming for all ages during our Public Swim. Use the water slide, diving board*, climbing wall*, lazy river and hot areas with family and friends.

Hot Areas: Steam Room and Sauna and Hot Tub are open and available to Swimmers booked into Public & Lane swims, and Aquacize for the duration of the program. Aquacize patrons may use the hot tub for 10 minutes after the program ends. Please review posted signage.

Pre-registration is available for all Swims and Fitness Programs at cityofyorkton.perfectmind.com. Swimmers will be admitted 10 minutes before the swim start upon arrival. Programs have capacity limits due to equipment or staff availability. Walk-in Swimmers will be admitted as Water Park Capacity allows.

Schedule is subject to change. Updated schedules are available online at www.gallaghercentre.com. Admission and supervision rules for children are enforced at all times. Please see the reverse. Grey areas on the schedule note times when the water park is closed to the public. *The diving board and climbing wall are unavailable when Public Swim is booked in only Wave Pool, see online schedule. Admission fee grants access to booked program.

Pre-register at <http://www.cityofyorkton.perfectmind.com> to reserve a space. Class capacity is limited by equipment and staff availability. All patrons must exit the water at the end of each class. The Hot tub is available for 10 minutes

Regular Aquacize: Regular Aquacize gives the participant the option to work at a transitional depth, and gives excellent cardio, strength and flexibility training. Suitable for everyone. Regular Aquacize is in the Wave Pool and there is a zero-depth beach entry.

Deep Aquacize: This class occurs in deep water in the Lap Pool and is intended for strong swimmers. Focus on using the water's resistance for core, cardio and strength. Float belts provided. A stairway access is available to enter the pool.

Aqua Cycle: indoor cycling class that takes place in a pool. Participants use stationary bikes in 3-4 feet of water, and pedal against the resistance of the water. The water's buoyancy helps provide support to working muscles and joints, and can be beneficial to those with limited mobility or recovering from injury. Water Shoes are recommended for use with the bikes.

Parent and Tot Aquacize: Bring your little swimmer with you during your recreational fitness time. Dolphin floats allow you to keep your little one in arms reach and keep moving. Located in the wave pool with zero depth entry for easy access.

Par-Q and you! In order to provide a safe exercise environment we encourage all participants to read our Part-Q sign-age and assess your fitness to participate. If you are new to Aquacize at the Water Park talk to our staff to receive a copy.
