Featured Winter Programs

Parent and Tot Aquacize

Parent and Tot Aquacize allows you to bring your little swimmer with you during your recreational fitness time. Dolphin floats allow you keep your little one in arms reach and keep moving. Located in the wave pool with zero depth entry for easy access.

Dolphin floats are suitable for infants 6 months to 3 years and between 15 to 35 LBS. Coast Guard approved personal floatation devices are also available for children larger than 30 LBS. Limit of 1 Tot swimmer per adult participant.

Aqua Cycle

Aqua Cycle is an indoor cycling class that takes place in a pool. Participants use stationary bikes in 3-4 feet of water, and pedal against the resistance of the water. The water's buoyancy helps provide support to working muscles and joints, and can be beneficial to those with limited mobility or recovering from injury. Aqua Cycle is a low impact endurance program focusing on both strength and cardiovascular fitness.
