Definitions

“Care and Maintenance Fee” is a one time fee paid by each plot and interment to ensure that annual care and maintenance of the Cemetery is provided until such time as the Cemetery reaches capacity and when the Perpetual Care Fund will be accessed for care and maintenance. This fee applies to all interments. One care and maintenance fee is included with each plot purchase.

“Perpetual Care Fee” is a one-time fee paid by each plot provided to ensure that annual care and maintenance of the Cemetery can be provided after the Cemetery reaches capacity. This fee applies to all plot sales and additional interments in each plot.

“Multiple Cremation Interment Fee” is a fee applied to any cremation interment of two or more that occur at the same time. The fee applies to the second interment only and charged per additional cremains.
