

GENERAL COVID-19 PROTOCOL

The health and safety of patrons and staff at the Gallagher Centre remains a top priority. All user groups and patrons entering the Gallagher Centre are expected to comply with the following protocols. There may be specific protocol for different areas within the facility (Access Communications Water Park, Farrell Agencies Arena, Flexihall, etc.) Individual patrons, user groups, and rentals found not following these protocols may be asked to leave the facility and risk future access to programs and services.

- **Stay home if you are sick.** Those showing symptoms of COVID-19 are advised to contact the Saskatchewan Healthline at 811 for further guidance.
- All user groups are required to have and follow a COVID-19 response plan for their activities and rentals. **A copy of this plan must be submitted to Gallagher Centre Administration to confirm your booking.**
- All user groups are responsible for tracing, monitoring, and screening their participants, coaches, trainers and spectators upon arrival at the facility. Screening questions can be found online at www.saskatchewan.ca/covid19. This information must be kept for 30 days.
- Follow all posted signage and protocols.
- The maximum number of patrons permitted in any one area is to be followed at all times. This information will be provided when arranging your booking.
- Arrive at the facility no more than **10 minutes before** your activity/rental.
- To limit time spent in dressing/change rooms, those attending recreational programming in the Arena, Flexihall, and Water Park are asked to **come as dressed as possible for their activity**. Dressing room access may be limited or reduced.
- Patrons are encouraged to bring full water bottles. Water fountains are not available at this time.
- Do not share personal equipment with others.
- Leave the facility promptly after your activity/rental. **Do not congregate in common areas.**
- The Gallagher Centre is committed to providing a clean and safe facility for all to use. This includes but is not limited to:
 - Aligning with Provincial guidelines, recommendations, and restrictions for facility operations.
 - Enhanced cleaning of common, high-touch surfaces such as entrances/exits, stairway railing, counters, etc.
 - Enhanced cleaning of change/dressing rooms between users and activities.
 - Enhanced cleaning of public washrooms.
 - Promoting physical distancing.
