

The City of Yorkton sanitary landfill accepts clean, rolled grain bags free of charge

Follow these simple steps to ensure that your grain bags are accepted and can be recycled:

1. **Shake:** Shake to remove as much debris as possible. Grain bags should be kept as clean as possible, with extra care taken to remove as much organic material (spoilage, dirt, etc.) before or during rolling. Excessively dirty or loose/unrolled bags will be rejected. Rejected bags will be subjected to a landfill tipping fee.
2. **Roll:** Roll grain bags and tie securely with twine.
3. **Deliver:** Deliver the rolled grain bags to the City of Yorkton sanitary landfill during regular hours. **Please contact the landfill at 306.786.7499 prior to delivering your rolled grain bags.**
