

COVID-19 CITY UPDATE March 19-2020:

City Hall remains open but we would prefer people to come in only for essential business. Payments may still be made but preferably by:

- 1: Debit or cheque, cash only if absolutely necessary;
- 2: Cheques may be dropped off in the overnight deposit box in the entrance way;
- 3: Using mobile/online banking to make your payments.

We thank everyone for their patience and understanding during this difficult time.
