

COVID-19 CITY UPDATE March 20-2020

- The City will allow deferral of water utility bill payments by not charging any interest.
- Utility
- Billing, as well as late payment notices, will continue to go out as normal. Please continue to pay your bill if you can, as customers are still responsible for their bills, even if payments are deferred.
- Please note that while customers are still responsible for all charges and usage, if you are affected by hardship due to the pandemic please call our Water Billing at 306-786-1726 for flexible payment arrangements.
- Water will not be disconnected for non-payment through June 30, 2020.

There may be increased wait times to get through to us via phone due to call volume.
If you have any questions, please call at 306-786-1726, or email us at
