## eat real Grow your own Garden

Lease a City of Yorkton Garden plot at:  
Jubilee Garden, Logan Green  
Garden & Dominion Allotment  
Garden for an annual fee of \$80

For more information, contact the  
Parks Division Office at **306-786-1780**.

## Yorkton Parks **TECH TIP**

- Remove snow from around your home's foundation and roof.
- Direct eave downspouts away from your home's foundation and keep gutters free of debris, snow and ice.
- Inspect your sump pump to ensure it working properly. If you don't have a sump pump, consider installing one.
- Try to stay off your lawn as much as possible while the soil is moist and spongy. Use a lightweight leaf rake to break up and spread out piles of snow on your lawn.
- You may have fertilized your lawn in the fall, but it is also important to do so during the spring. Spring fertilization helps your lawn replenish preserves that were depleted over the long, grueling winter.
- Your lawn maintenance professional can offer you lawn tips as well as help you with the right amount of fertilizer needed for your lawn.

## You did know?

Spring is around the corner and with the rising temperatures, it is difficult to maintain smooth surfaces on outdoor rinks. Melting ice becomes soft and creates tripping hazards. Outdoor rinks are no longer recommended to use when the shovels and nets are removed. Please remember to always use caution while on the ice.
