## Yorkton Parks TECH TIP

### Lawn Mower Maintenance for Spring

- Tune It Up. For safety reasons, the first step in doing any work on your mower is to remove the spark plug.
- Change the Oil. Remove the oil drain plug at the bottom of the engine and let the dirty oil run out into a container.
- Sharpen the Blade.
- Clean It Top and Bottom.
- Lubricate the Moving Parts.

The water slide at Access Communications Cooperative Water Park is almost 180 feet long!

**You did  
You know?**

The water used for the slide is circulated from the wave pool.
