

January in Yorkton is for **Active Living**

There is something for everyone to enjoy!

Check out the back for more information and a list of activities available.

Did You know?

City of Yorkton walking trails can be used throughout the winter.

- Located at Brodie Recreation Corridor, Highway 10 East, Logan Green, Mayhew Avenue, Morrison Park & Winchester Trail.
- Trails are checked biweekly and are maintained pending weather conditions.

Don't let the winter weather stop you from enjoying a walk outdoors!

Yorkton Parks **TECH TIP**

January is a great time to inspect and prune your trees. Without any leaves, it's easier to see the structure of your tree. Trees are dormant in the winter so they experience less trauma from pruning. Pruning while the soil is frozen helps with not disturbing the soil around the tree's roots. Remember to hire a trained professional for any large pruning jobs. They are trained to know the needs of different trees as well as how to complete the job safely.

drop in sports

Badminton | Basketball | Pickleball | Volleyball
