

Spring Yard Waste Clean-Up Week

May 14th - 19th

- The City of Yorkton is offering **FREE** disposal of winter debris for City of Yorkton residents and schools within the city of Yorkton.
- Winter debris consists of leaves, grass clippings, broken tree branches and debris that has collected on the above mentioned properties over the winter months.
- Spring Yard Waste Clean-Up Week is made available to help schools and residents help clean-up and beautify their properties.
- Qualifying City residents are defined as dwellings with four or less units on the property. Multi-units with five or more units on the same property do not qualify for the program. Residents must present their driver's license with a Yorkton street address upon entry. Post office boxes will not qualify for entry under this program.
- School division loads should have identifiable vehicles and staff hauling any acceptable material.
- Qualifying vehicles allowed entry must be car, 1/2 ton, sport utility, and/or a utility trailer.

The Annual **Spring Yard Waste Clean Up Week** will take place on Monday, May 14th to Saturday, May 19th. Yorkton residents and schools may haul their winter debris to the sanitary landfill at no charge during regular landfill hours.

Landfill hours are as follows:

Monday to Friday - 8:00 am to 7:00 pm CST
Saturday - 8:00 am to 6:00 pm CST

Did you know? City of Yorkton residents can bring their un-bagged leaves and grass clippings to the landfill free of charge during regular hours of operation throughout the year.
